About the Book

Two men think they've found the perfect opportunity --- a chance to rob the stash house of Simon Shuller, one of Philadelphia's biggest drug lords. But their plans are spoiled when one of Shuller's men catches them as they break into the stash house. Temperatures flare as the men capture Shuller's worker, Poncho, and force him to show them the goods. What they didn't expect was for Poncho's partner to be armed and very dangerous. An altercation breaks out and when the smoke clears, Nard, Poncho's accomplice, is the only one left standing.
