

Elizabeth Grant: My Life - My Story

by Carol Krenz and Marion Suzenne Witz

About the Book

Elizabeth Grant has stood at the helm of her beauty empire for more than 60 years. This first hand account spans nine decades, hundreds of thousands of miles, and delves into deep hardships. Yet ultimately, this memoir leads to a story of success that is often only found in movies and storybooks. Elizabeth's tale is the true story of beating the odds, a woman's determination, and the ability to keep soldiering on to achieve her dreams and goals.

Critical Praise

"Grant's story is inspirational to women the world over. My only complaint about this book, and it is a major one, is that it is not twice its size! Left wanting more, I read **My Life ? My Story** in a day, used a couple of hankies to wipe the tears away paired with many outbursts of laughter, and enthusiastically passed it on to my mother for her to read as well. **My Life ? My Story** is as inspiring a read as Elizabeth Grant is to watch. Perhaps it is time to make my face look as good as Grant's!"
