

Henry and Clara

by Thomas Mallon

About the Book

Henry Rathbone and Clara Harris, a young engaged couple, were President Lincoln's guests in his box the night he was shot at Ford's. Thomas Mallon searched through old newspaper accounts, military records, pension files, census reports, alumni records, and previously unstudied letters to put together the incredible and tragic story of Henry and Clara. Mallon follows Henry and Clara from childhood through married life, skillfully navigating the stretches of time with historical accuracy and finesse. With deft exercise of period detail and uncanny insight into human weakness and passion, Mallon has created an erotic and psychological mystery.

Henry Clara was recognized as one of the outstanding books of 1994 by the *New York Times Book Review*, *Publishers Weekly*, and the *Chicago Tribune*. Foreign rights have been sold to Germany and France, and the film has been optioned by Scripps Howard productions.
