

The Truth About Delilah Blue

by Tish Cohen

About the Book

Just as Delilah's father falls further and further into Alzheimer's, she discovers that he's been harboring a horrible secret for over 15 years, but he no longer remembers the motivations behind his deception or the consequences. Reminiscent of the books of Jodi Picoult (*House Rules*, *Keeping the Faith*) and Jennifer Weiner (*In Her Shoes*, *Best Friends Forever*) --- as well as Lisa Genova's breakout novel about Alzheimer's, *Still Alice* --- *The Truth About Delilah Blue* by acclaimed author Tish Cohen (*Town House*, *Inside Out Girl*) delivers a touching, poignant novel about one young woman's attempt to come to terms with loss, betrayal, and forgiveness.

Author Bio

Tish Cohen is the author of *TOWN HOUSE*, a 2008 finalist for the Commonwealth Writers' Prize Best First Book Award (Canada and Caribbean region), and in development as a feature film with Fox 2000. The film is being produced by Ridley Scott's Scott Free and will be directed by John Carney, the award-winning, critically acclaimed director of *Once*. Production is set to begin in New England in 2008. *Town House* was released to massive media interest in Canada, has been published in Italy, and will be released in Germany in April 2009.

Cohen has also written the preteen novel *THE INVISIBLE RULES OF ZOE LAMA*, a bestseller in Canada, which was published in 2007. The sequel, *THE ONE AND ONLY ZOE LAMA*, will be published in summer 2008. The *Zoe Lama* series is in development as a live action TV series with 9Story Entertainment.

Cohen has contributed articles to some of Canada's largest newspapers, including *The Globe and Mail* and *The National Post*. Having grown up in Los Angeles and Orange County in California, and Montreal, Cohen now calls Toronto home. *INSIDE OUT GIRL* is Cohen's second novel for adults.

Critical Praise

"Tish Cohen knows how to slide us into a story, letting us imagine we might know the pathway. But we are wrong because she is a wonderful storyteller and will surprise us at every turn. She has created a cast of characters who are filled with delicious human frailty and love. If you think you know anything about parental love and misguided choices, think again. Cohen peels away the layers of families and human desires and leaves us with a world of hope."
