

A Tale of Two Sisters

by Anna Maxted

About the Book

Lizbet and Cassie are sisters and, though as different as two women can be from each other, best friends as well.

Cassie is skinny, clever, charismatic, successful?every not-so-perfect girl's worst nightmare. The one defect in her quality-controlled life may be her marriage.

Lizbet is plumper, plainer, dreamier?more concerned about the design on her coffee cup than whether she can afford her new house. She's desperate to make her name as a journalist, but is stuck writing embarrassing articles on sex for a boy's magazine. Her one achievement is her relationship with Tim, who thinks she's amusing and smart-even when she asks ditzy questions.

Despite Cassie being the favored child, she and Lizbet have managed to stay friends. Perhaps because?as Cassie says?they've always wanted different things. But that's about to change. Confronted by challenges that they never asked for, enticed by new loves, and forced apart by mistakes not their own, Cassie and Lizbet struggle to figure out how to get back to the simple goodness of their sisterhood, as their lives take them on a collision course of heartache and new beginnings.

Discussion Guide

1. In the opening pages of **A Tale of Two Sisters**, Anna Maxted immediately establishes Cassie and Lizbet's distinct personalities via their letters. How are Cassie and Lizbet different?
2. How does irony contribute to **A Tale of Two Sisters**?

3. Each chapter ends with an unexpected twist. Were you surprised by the first chapter's ending?
