## About the Book

As an Amish midwife, Abigail Graber loves bringing babies into the world. But when a difficult delivery takes a devastating turn, Abigail is faced with some hard choices. Despite her best efforts, the young mother dies --- but the baby is saved.

When a heartless judge confines Abigail to the county jail for her mistakes, her sister Catherine comes to care for her children while Daniel works his fields. Catherine meets Daniel's reclusive cousin, Isaiah, who's deaf and thought to be simple minded by his community. She endeavors to teach him to communicate and discovers he possesses unexpected gifts and talents.

While Abigail searches for forgiveness, Catherine changes lives and, in return, finds love, something long elusive in her life. And Isaiah discovers God, who cares nothing about our handicaps or limitations in His sustaining love.

An inspirational tale of overcoming grief, maintaining faith, and finding hope in an ever-changing world.
