I Know This Much Is True
by Wally Lamb

About the Book

Wally Lamb's first novel, She's Come Undone, received rave reviews when it was published in 1992. The book was a finalist for the Los Angeles Times Book Awards' Art Seidenbaum Prize for First Fiction and was named as one of the most notable books of the year by numerous publications, including The New York Times Book Review and People magazine. A graduate of the Vermont College MFA in Writing program, Lamb currently teaches at the University of Connecticut. He is the recipient of an NEA grant for fiction and a Missouri Review William Peden fiction prize winner. A nationally honored teacher of writing, he lives in Connecticut with his wife and their three sons.

"Reading a novel is a highly personal experience and I think different readers will take different things from it. As for me, the experience of writing the book has reinforced for me the truths that Dominick had to learn: that love grows from forgiveness, that "mongrels" make good dogs, and that the roundness of life's design may be a sign that there is a presence beyond ourselves."

Discussion Guide

1. Wally Lamb has said that what interested him most about his character, Dominick Birdsey, was the protagonist's conflictedness. Discuss some of the ways in which, as both child and adult, Dominick is pulled in opposing directions and wrestles with conflicting emotions.

2. How does this novel reflect the attitudes toward and the treatment of the mentally ill as they have evolved through the 20th century?
3. Do you see Dominick Birdsey as a hero or an anti-hero? Why?

4. The author has commented that his discovery of an ancient Hindu myth, "The King and the Corpse," allowed him to discover, in turn, Dominick's story. In this ancient tale, a cadaver whispers riddles into the ears of a naive king and the solving of these puzzles allows the king to save himself. In what ways does the plot of I Know This Much Is True follow a similar path?

5. Wally Lamb has said, "Whereas Dolores Price, the main character of my first novel, She's Come Undone, deals with her pain and fear by imploding, Dominick tends to wrestle with pain and fear by exploding." Do females and males tend to respond differently to emotional pain? If so, why?

6. The principal female characters of this novel are Concettina Birdsey, Dessa Constantine, Lisa Sheffer, Dr. Rubina Patel, Ignazia Tempesta, and Prosperine Tucci (the monkey). Discuss I Know This Much Is True's depiction of women.

7. Wally Lamb has stated that a worthwhile novel should not only draw you into the story but also kick you in the pants so that you'll be more inclined to go out and fix the world. Do you agree or disagree?

8. I Know This Much Is True is in development as a major motion picture. If you were the casting director, which actors would you choose for the major roles?

9. Discuss the themes of mirror vs. images, wholeness vs. fragmentation, connection vs. separation as they are explored in I Know This Much Is True.

10. To what extent is Dominick Birdsey's life shaped by his ethnicity? To what extent do you feel your life is defined by the place and the culture of your forebearers? Discuss.

Critical Praise

"It never grapples with anything less than life's biggest questions.... Lamb clearly aims to be a modern-day Dostoyevsky with a pop sensibility."
