

More Than You'll Ever Know

by Katie Gutierrez

About the Book

An evocative drama about a woman caught leading a double life after one husband murders the other, and the true-crime writer who becomes obsessed with telling her story --- this masterful work of literary suspense marks the debut of an extraordinary new writer.

The dance becomes an affair, which becomes a marriage, which becomes a murder...

In 1985, Lore Rivera marries Andres Russo in Mexico City, even though she is already married to Fabian Rivera in Laredo, Texas, and they share twin sons. Through her career as an international banker, Lore splits her time between two countries and two families --- until the truth is revealed and one husband is arrested for murdering the other.

In 2017, while trawling the internet for the latest, most sensational news reports, struggling true-crime writer Cassie Bowman encounters an article detailing that tragic final act. Cassie is immediately enticed by what is *not* explored: Why would a woman --- a *mother* --- risk everything for a secret double marriage? Cassie sees an opportunity --- she'll track Lore down and capture the full picture, the choices, the deceptions that led to disaster. But the more time she spends with Lore, the more Cassie questions the facts surrounding the murder itself. Soon, her determination to uncover the truth could threaten to derail Lore's now quiet life --- and expose the many secrets both women are hiding.

Told through alternating timelines, MORE THAN YOU'LL EVER KNOW is both a gripping mystery and a wrenching family drama. Presenting a window into the hearts of two very different women, it explores the many conflicting demands of marriage and motherhood, and the impossibility of ever truly knowing someone --- especially those we love.

Discussion Guide

1. Why do you think true crime compels us? What draws women in particular to this genre?

2.

Consider the moral implications of Cassie's career as a true crime writer. Do you think it is fair to capitalize off other people's tragic
