My Two Wives and Three Husbands

by S. Stanley Gordon

About the Book

The true story of one man's search for love. First in the straight world and then in the gay world.

Discussion Guide

1. Are "gays" and "straights" really different from each other?

Author Bio

A doctor of Optometry, S. Stanley Gordon created a chain of optical offices in department stores nationwide, the proceeds of which enabled him to fulfill a lifelong ambition to be a part of show business, starting at the top as a theatrical producer in New York and London. Currently retired, he lives with his husband, Joe Henry, in Pasadena, California. His son and daughter-in-law have blessed him with four terrific grandchildren and several great-grandchildren.
