

Olive, Again

by Elizabeth Strout

About the Book

#1 New York Times bestselling author and Pulitzer Prize winner Elizabeth Strout continues the life of her beloved Olive Kitteridge, a character who has captured the imaginations of millions.

Prickly, wry, resistant to change yet ruthlessly honest and deeply empathetic, Olive Kitteridge is “a compelling life force” (*San Francisco Chronicle*). *The New Yorker* has said that Elizabeth Strout “animates the ordinary with an astonishing force,” and she has never done so more clearly than in these pages, where the iconic Olive struggles to understand not only herself and her own life but the lives of those around her in the town of Crosby, Maine.

Whether with a teenager coming to terms with the loss of her father, a young woman about to give birth during a hilariously inopportune moment, a nurse who confesses a secret high school crush, or a lawyer who struggles with an inheritance she does not want to accept, the unforgettable Olive will continue to startle us, move us and inspire moments of transcendent grace.

Discussion Guide

1. Olive Kitteridge is a fascinating character. Some readers might see her as abrasive and unlikeable; others might see her as honest and sympathetic. How do you characterize Olive? What do you appreciate about her? What irks you about her? Is she someone you’d like to meet in real life?
2. If you read *OLIVE KITTERIDGE*, do you feel Olive has changed in *OLIVE, AGAIN*? If so, in what ways? If not, what about her has stayed the same?

3. During a fight with her son, Christopher, Olive realizes that she had been frightened of her son for years. How does she come to this realization? How does it influence how Olive thinks of herself as a mother?
4. Watching Ann yell at Christopher, Olive realizes she had yelled at her late husband, Henry, in much the same way. What does she come to accept about herself as a person? How does she ask for forgiveness?
5. In today's climate of increased awareness about sexual harassment, how did you feel reading "Cleaning," the chapter about Kayley and Mr. Ringrose? Would you qualify it as a type of harassment, or did you feel Kayley was empowered and exploring her sexuality? Does the fact that Mr. Ringrose left Kayley money complicate any of your feelings?
6. Consider this passage: "These were openings into the darkness of a relationship one saw by mistake, as if inside a dark barn, the door had been momentarily blown off and one saw things not meant to be seen." Do you think all relationships have a secret darkness that outsiders don't see, or do only troubled relationships have this?
7. Strout writes that there were a few nights during Jack's marriage to Olive where he had sat on the front porch and had --- half drunk --- wept, because he wanted to be with Betsy instead. How did you interpret this? Did it feel like a betrayal (even involuntarily) to you, or simply a fact of life?
8. Bernie and Suzanne have an interesting relationship. What are the different secrets and experiences that bond them together? How did they both help each other? Do you think it's rare to see an emotionally --- but not physically --- intimate relationship like theirs in fiction? What about in real life?
9. Bernie tells Suzanne she doesn't need to tell her husband about her affair. She clearly believes it's a mistake and isn't planning to repeat it. Do you agree with Bernie's advice? Is it ever smarter to keep a secret like that, or do you believe one must always tell the truth?
10. Olive and Cindy, who might be terminally ill, have an interesting conversation about death. They both admit to being afraid of it, but Olive --- in her special way --- comforts Cindy by reminding her, "The truth is --- we're all just a few steps behind you. Twenty minutes behind you, and that's the truth." Was this notion a comfort to you? What do you think would happen if people, even those who aren't terminally ill, started speaking more openly about death?
11. When Olive is talking about her marriage to Jack with Cindy, she says, "Imagine at my age, starting over again." Then she adds, "But it's never starting over, Cindy, it's just continuing on." Why do you think she corrects herself in this way? What different connotations do those two phrases --- starting over and continuing on --- hold?

Author Bio

Elizabeth Strout is the #1 *New York Times* bestselling author of *TELL ME EVERYTHING*; *LUCY BY THE SEA*; *OH WILLIAM!*; *OLIVE, AGAIN*; *ANYTHING IS POSSIBLE*, winner of the Story Prize; *MY NAME IS LUCY BARTON*; *THE BURGESS BOYS*; *OLIVE KITTERIDGE*, winner of the Pulitzer Prize; *ABIDE WITH ME*; and *AMY AND ISABELLE*, winner of the *Los Angeles Times* Art Seidenbaum Award for First Fiction and the *Chicago Tribune* Heartland Prize.
