

The Best Life Book Club

by Sheila Roberts

About the Book

It started as a book club. It became a way to build a better life together.

Karissa Newcomb is ready for a new start in a new neighborhood, as far away as she can get from Seattle, where her husband cheated on her with the neighbor who was supposed to be her best friend. She and her nine-year-old daughter are moving on to the city of Gig Harbor on the bay in Puget Sound. She even has a new job as an assistant at a small publishing company right in Gig Harbor. Her new boss seems like a bit of a curmudgeon, but a job is a job, she loves to read, and the idea of possibly meeting writers sounds fabulous.

Soon she finds that she's not the only one in need of a refresh. Her new neighbors, Alice and Margot, are dealing with their own crises. Alice is still grieving her late husband and hasn't been able to get behind the wheel of a car since a close call after his death. Margot is floundering after getting divorced and laid off in quick succession. They all could use a distraction, and a book club seems like just the ticket. Together, the three women, along with Alice's grumpy older sister, Josie, embark on a literary journey that just might be the kick-start they need to begin building their best lives yet.
