The Meaning of Night: A Confession
by Michael Cox

About the Book

“After killing the red-haired man, I took myself off to Quinn’s for an oyster supper.” So begins the “enthralling” (Booklist, starred review) and “ingenious” (Boston Globe) story of Edward Glyver, booklover, scholar, and murderer. A chance discovery convinces Glyver that greatness awaits him. His path to win back what is rightfully his leads him to Evenwood, one of England’s most enchanting country houses, and a woman who will become his obsession.
