## About the Book

In this remarkable debut work from author Karen Stolz, readers follow the arc of a girl's life as she grows to womanhood. From crushes to surprise baby sisters to nail polish to a devastating death, Roxanne is our guide through a life that has moments of tenderness, poignancy, sorrow, and great humor, as well as some wonderful baking memories. *World of Pies* is a sumptuous novel, though like the best pie, tart in all the right places.
